Regarding Item Number: MP-736-02

To The Clark County Commissioners:
We, the undersigned, oppose the John Laing Homes proposed development for 8,400 homes and approximately 21, 000 people on top of Blue Diamond Hill overlooking the Red Rk Canyon National Conservation Area. This development will be devastating aesthetically and environmentally to the Conservation area. Once we lose this buffer zone of Blue Diamond Hill, there is no getting it back. Please save Red Rock Canyon. We call on you to vote AGAINST the Cielo Escantado subdivision on top of Blue Diamond Hill.
